SNAME perspective on maritime sector

AN INSIGHT ON INNOVATION DEVELOPMENTS

APRIL 17th 2024

15:30 - 19:00

TRIESTE

Auditorium - Salone degli Incanti

The workshop focusses on primary developments in innovation in the maritime sector. Tailored panels on **decarbonization** in the maritime and shipping sector and challenges and opportunities of marine **sustainable energies** are foreseen with involvement of key players from research and industry side.

The event will launch the **Trieste headquarter for SNAME** in Italy and will integrate the forward-looking approach of FLORES project.
